Welcome to Fenouil

Thank you for joining us at this month's regional dinner. We host these events at the end of every month. If you've dined at a previous regional dinner, welcome back. If this is your first family style dinner there are a few things you should know.

When seating yourself please make room for other guests. The tables range in size from eight to twenty seats and guest parties usually range from one to four.

Most courses will be served on platters and passed. Some courses at some dinners will also be served individually. If you would like more of any course please ask.

Wine is also included and your servers will happily refill any empty glass. Wine and cocktails from our regular menus are not included, but are available.

Please don't hesitate to ask our staff for anything. These meals are truly family style, so we appreciate knowing if you need a fresh knife, more dressing, or even a recipe from the chef.

Our goal at these dinners is to explore different cuisines, have fun, and make new friends.

Bon Appétit!
